

How to Pay for a Book via Credit Card

Now that you have found the precise book that you are looking for, you can easily pay for your book with help from PayPal. **Please note that there is no requirement for you to have a PayPal account.**

After pressing Purchase on the Individual Post page and being lead to the Purchase Details page, press Continue to Purchase to be taken to the next step in the purchasing process.

Following, you are taken to the Payment page where you can decide if you are paying via a credit card, or if you have a PayPal account you can log in and pay for you book through the PayPal payment process. Since this tutorial is about Credit cards simply press anywhere in the area that say Pay with Card.

Next your devices camera will be activated. At this time have your card ready to be scanned. Position your card within the target area until the card reader captures the image of the credit card. The reader will automatically pull the numbers from your card, and you will only need to type in the expiration date and CVV number, which is found on the back of your card.

Once you've completed filling in the required information, you will be lead back to the Payment page.

Press Charge Credit Card and continue on.

A Purchase Complete confirmation page will display verifying your purchase. Also, you will receive an email from PayPal and MyBeeble to your email address on file for your receipt of the transaction.

Congratulations on your purchase, don't forget to rate your experience with the other individual after receiving your book in the Buy/Sell History section.
