

How to have a Book Shipped

Starting on the Individual Post page, once your ready to make your purchase, press the Purchase button.

This will lead you to the Purchase Details page, you can choose between meeting up in person or having a book shipped directly to you. Select anywhere in the area for the option with the phrase "I would like this book shipped" and press continue to be lead to the next step of the Shipping process.

Fill in the necessary information for the fields; First Name, Last Name, Address, Zip Code. If you have the location setting to allow, you will see that the Zip Code field is automatically filled in based on your present location. After all the required information is provided, press Continue and be taken to the Choose Shipping page.

Displayed are three options for you to choose from. Each has an estimated delivery timeframe. Once you have made your decision, select anywhere in the area for the desired shipping option.

Last step of the Checkout process involves a breakdown of the various costs to you, including the Total Price. If you agree to the Total Price and are ready to complete the purchase, press continue and a confirmation email will be sent to you from PayPal for the transaction.

The Seller will also receive an alert, notification and email informing them of your purchase.

All that is left is to sit back and wait for your textbook to arrive.
